

Lake Erie Speedway

FWD Winter Enduro Rules

GENERAL RULE:

With the exception of the safety items listed below, **ALL CARS MUST BE 100% FACTORY STOCK.**

Stock means exactly how that year, make, and model came from the factory.

Eligible Vehicles

1. **1987 or newer** front-wheel-drive passenger cars, minivans, and **small SUVs**
 - **4-cylinder or V-6 only**
 2. **NO turbocharged or supercharged engines**
 3. **NO sports cars** (2-seat vehicles)
 4. **Front-wheel drive ONLY**
 5. **NO 4WD or AWD vehicles**
-

Glass, Interior & Body

6. **ALL glass must be removed**, except the windshield
 - **NO broken glass permitted in vehicle**
 - Windshields **may be removed**, but must be replaced with:
 - Heavy-gauge wire mesh **AND**
 - **Three (3) steel rods**, evenly spaced vertically in the windshield opening
 - 6b. **ALL passenger seats and door panels MUST be removed**
 - Sunroofs **MUST be covered** with tin or similar material
 7. **NO cutting, drilling, or grinding of any kind**
 - **EXCEPT** for:
 - Roll cage installation
 - Crash repair
 - Exhaust cutting is permitted
 - 7b. **ALL body panels must be in place**, including trunk lids and hatches
-

Safety Requirements

7c. **A REAL window net is MANDATORY**

- Must be easily removable by driver or safety crew
- **NO homemade nets**
- Nets **may NOT be mounted on the outside** of the door

7d. **Minimum 2.5 lb ABC fire extinguisher required**

- Must have a working gauge
 - Must be securely mounted
-

Wheels & Tires

8. **WHEELS:**

- Stock passenger-car wheels only
- **Must be factory offset and width** for that year/make/model
- **ALL balance weights MUST be removed**

9. **TIRES:**

- DOT highway tires ONLY
 - **Maximum 235 tread width**
 - **Maximum 50-series tire**
 - **Minimum 400 treadwear rating**
 - **NO ultra-high-performance or Z-rated tires**
-

Battery & Fuel

9a. **Battery may be relocated to right front floor**

- Must be securely fastened and fully covered

10. **Fuel tank must remain in STOCK location** OR an approved fuel cell may be mounted in the rear floorboard

- **Maximum fuel cell capacity: 8 gallons**
 - **NO trunk-mounted fuel tanks of any kind**
-

Roll Cage & Door Protection

11. **6-point roll cage is HIGHLY RECOMMENDED**

- Rear bars may NOT connect to or extend past strut towers

12. **MANDATORY seat bar:**

- One bar directly behind the seat
 - Runs from left to right door
 - Mounted at **bumper height**
 - Minimum **1/8" steel thickness**
 - **NO exhaust pipe, fence post, or street sign material**
 - **Driver door padding and driver-side window net REQUIRED**
 - Outside driver door bar **HIGHLY RECOMMENDED**
 - Must be **angle-cut**
-

Doors, Hood & Visibility

13. **ALL doors must be chained, bolted, or welded shut**

14. **MANDATORY 3" x 3" hole in hood**

- Hood must be chained or bolted
- Chains **may NOT pass through or around frame**

15. **Working brake light REQUIRED**

- Factory third brake light location or rear windshield area

16. **Shark-fin style roof number sign REQUIRED**

- Must be constructed of thick tin or similar material

17. **Car Numbers:**

- Issued by officials **in the order cars pass tech**
-

Driver Safety Gear

- Fire suit **recommended but not required**
- If no fire suit:
 - Long pants
 - Long-sleeve shirt
 - Closed-toe shoes
 - Gloves **MANDATORY**
- **Helmet REQUIRED**
- Neck protection **HIGHLY RECOMMENDED**

Passengers: NOT ALLOWED

Lake Erie Speedway
